BUG OFF

Heavy Duty Bug & Protein Remover

What is Bug Off:

Bug guts are extremely acidic and can eat through your paint's clear coat if left to fester. A quality bug remover that breaks down bug proteins and neutralizes the acidity to protect your paint job. Safe and effective on all surfaces, including polished aluminum! Our Bug Remover allows you to transform your bug covered vehicle into something spotless with minimal effort.

With this fast-acting alkaline solution, bug remains don't stand a chance. It's ready to use straight from the bottle. Simply spray some onto any surface, let it sit for 1-2 minutes, gently brush/mitt clean, and rinse!
