WALLEX

Heavy Duty Acid Wall Cleaner For Car Washes

What is Wall EX:

A heavy duty acid wall cleaner, specially formulated for removing hard water stains and built up soap scum from brick, masonry and other surfaces in a car wash. This fast acting formula allows surfaces to be cleaned without heavy scrubbing.

Product Use Benefits:

- Fast acting formula.
- Removes heavy build up of soap scum and water stains.
- Can be applied directly to surfaces and brushes.
- Rinses quickly and easily.
- Improves customer appeal.

Application Instructions:

Apply product directly to surface and allow to dwell for as long as possible. Many applications may require a heavier application initially before a regular maintenance program is in place. Always make sure to wear proper protective clothing when applying this, or any product.
