1568 LEATHER CONDITIONER

Revives and Restores Leather Surfaces

What is 1568 Leather Conditioner:

This special formula allows you to clean and condition your leather in one convenient step. Easy to use and nice scent and does not leave a residue. Unlike most leather conditioners, this conditioner is specifically formulated to revive and restore automotive leather. Deeply penetrates fibers, protecting new leather and reviving old, damaged leather, softening, moisturizing, and keeping your leather looking new and beautiful.

Product Use Benefits:

- Penetrates deep into the leather surfaces.
- Conditioners enhance supple feeling to leather.
- Surfaces are left soft and looking new.
- Does not leave behind any residue.

Application Instructions:

For best results, do not apply in direct sunlight and make sure the surface is cool to the touch before applying. Shake well. Spray onto the surface, working one section at a time. Use a clean microfiber towel to gently wipe the area clean.
