KRYSTAL BLUE

Premium Tire Shine For Automated Applicators

What is Krystal Blue:

A premium long lasting solvent based tire dressing for use in automated foam applicator systems. This advanced formulation will leave a long lasting deep shine on tires after application without slinging. Special silicones will not leave behind a sticky residue, eliminating the buildup of dust and dirt on wheels and tires. Quick leveling and fast drying prevent build up and spotting on surfaces.

Product Use Benefits:

- Long Lasting and high shine formula.
- Easy leveling.
- Spreads evenly on foam applicators preventing spotting.
- Special high gloss formula.
- Will not splatter or run.
- Non flammable

Application Instructions:

For automated application systems, pull directly from drum making sure pads are not saturated. For manual applications, spray and wipe or apply with a detailing sponge.

Use Recommendations:

- Tunnel Wash Systems
- Automated Applicators

Physical Characteristics:

Color	Blue
Fragrance	Characteristic
Form	Liquid
