2433 TIRE DRESSING

Premium Water Based Tire & Trim Dressing

What is 2433 Tire Dressing:

A concentrated water based tire dressing, formulated for use on all trim, rubber and tires. This product goes on clear, eliminating imperfections caused by variable and uneven applications. Over application will not result in white streaks once the vehicle has left the facility. Highly viscous to prevent the "scattering" of the dressing once the vehicle is in motion.

Product Use Benefits:

- Water based for easy application and containment.
- Can be diluted for economical applications.
- Leaves behind a deep clean shine.
- Easy leveling and application.
- Can be used as a dressing for on site detailing centers.
- Safe to handle and store.
- VOC Free.

Application Instructions:

Product can be diluted with up to 4 parts water for economical uses. For manual applications, spray and wipe or apply with a detailing sponge.

Use Recommendations:

- Detailing
