4603 WHEEL CLEANER

Heavy Duty Acid Wheel Cleaner & Brake Dust Remover

What is 4603 Wheel Cleaner:

An economical acid based wire and wheel cleaner and brightener. Watch heavy brake dust and road grime melt away in front of your eyes. This product will act instantly, allowing uses in the shortest of application areas. Contains special inhibitors to help protect wheels and application areas.

Product Use Benefits:

- Starts acting almost instantly.
- Enhanced formulation will clean the worst of wheels.
- Eliminates the need for scrubbing or brushes.
- Wheels will look new after cleaning.
- Formulated for easy neutralization.
- Economical dilutions.

Application Instructions:

For best results, do not apply in direct sunlight and make sure the surface is cool to the touch before applying. Spray product onto wheels and scrub with a wheel brush if necessary. Rinse thoroughly. Not recommended for high glass aluminum wheels.

Physical Characteristics:
