BREAKDOWN

Premium Alkaline Presoak With Surface Protectants

What is BreakDown:

Superior alkaline detergent designed specifically for use as the high pH presoak or detergent in the 2-step low pH/high pH wash process. Leaves a streak free surface. Excellent for use in both frictionless in-bay automatics, and friction assisted conveyor car washes. Heavy-duty detergent formulated to aggressively remove dirt, road film and grease while remaining mild to painted surfaces. Its polymeric additives produce a streak free surface, even in hard water. Formulated with *ecco rinse* technology.

Product Use Benefits:

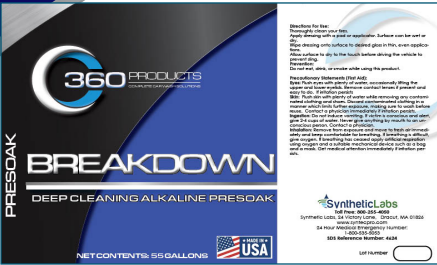

- Long lasting alkali builders.
- Economical per car use dilutions.
- Fast Acting.
- Can effectively be used in hard water applications.
- Prepares surfaces for detergent and foaming cycles.
- Contains corrosion inhibitors to help prolong equipment life.
