

AUTO FRAGRANCES

Concentrated Powerful Fragrances For Car Washes

What are Auto Fragrances:

Powerful fragrances that will leave behind a long lasting scent. All of the Auto Fragrances are formulated for use in warm and cold climates. They are all fast drying leaving behind a non sticky non tracking perfume. These products can be used through automated dispensers as well as with any manual application. All the fragrances are non toxic.

Product Use Benefits:

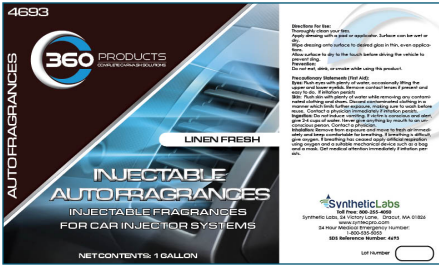

- Can be used through multiple dispensing devices.
- Long lasting fragrances.
- Non staining formulas.
- Leaves behind no residue.
- Available in winter formulas to prevent freezing in cold climates.

Application Instructions:

Inject product directly into the desired application device. A variety of injection pumps may be used. Product can also be injected directly into the chemical stream for added customer satisfaction.
