What is Luster:

A premium drying agent and complete surface protectant in one product. Contains special polymers, builders, and siliconized carnauba that not only bead water from the surface during the drying cycle, but will provide protection to glass and surfaces after the vehicle has dried. Contains UV protectants for added protection.

Product Use Benefits:

- A complete surface protectant in one product.
- Provides clear coat protection and shine.
- Can be used as a single step product in most wash systems.
- Great for use in all water conditions.
