# CHAMOIS DRY

## Premium Concentrated Drying Agent

### What is Chamois Dry:

A premium concentrated drying agent and spray wax. This product will deliver quality beading and drying at an economical dilution. Hydrophobic drying aids repel water to quickly dry vehicle surfaces. Chamois Dry enhances any wax or sealant coat for improved longevity with a high-gloss shine. Versatile enough to be used in almost any car wash application.

### Product Use Benefits:

- Economical use.
- Water beads almost instantly from surfaces.
- Great for use in hard water applications to improve wash.
- Can be used in any wash system.
- Performance is not effected by climate, season, or temperature.
