

FOAMING PRESOAK

sds reference no. 4702

VISION PREP PRESOAK

Fresh Scented High Foaming High Pressure Presoak

What are VISION Products?

A line of detergents formulated for those looking for highly concentrated products that yield an economical use cost. These vibrant high foaming products are recommended and formulated to enhance customer appeal in manual wash applications.

What is VISION Prep Presoak:

An ultra concentrated foaming presoak detergent. This product will quickly remove dirt, grease, proteins, and other road film buildup from vehicle surfaces. Used with a premixing or direct feed metering system and applied to the entire automobile surface with a high-pressure spray gun. Product can be prediluted 5 gallons concentrated mixed with 10 gallons of water depending on the tip being used.

Product Use Benefits:

- Starts breaking down road film on contact.
- Produces a pleasant scented foam.
- High foam level provides optimum customer approval.
- Contains special lubricating agents for improved performance.
- Safe to handle and store.
