VISION FOAM BRUSH

Bubble Gum Scented High Foaming Foam Brush

What are VISION Products?

A line of detergents formulated for those looking for highly concentrated products that yield an economical use cost. These vibrant high foaming products are recommended and formulated to enhance customer appeal in manual wash applications.

What is VISION Foam Brush:

An ultra concentrated foaming liquid neutral detergent for use on car wash brush applications. This product contains special lubricating materials that will provide lubrication to any brush, helping eliminate scratching. The high foam is stable and very easy rinsing. Product can be prediluted 5 gallons concentrated mixed with 10 gallons of water depending on the tip being used.

Product Use Benefits:

- Produces a pleasant scented foam.
- High foam level provides optimum customer approval.
- Contains special lubricating agents for improved performance.
- Safe to handle and store.

Application Dilutions:
