VISION TRIPLE PLAY

High Foaming Triple Foam Polish

What are VISION Products?

A line of detergents formulated for those looking for highly concentrated products that yield an economical use cost. These vibrant high foaming products are recommended and formulated to enhance customer appeal in carwash applications.

What is VISION Triple Play:

An ultra concentrated high foaming vibrant triple polish. This product contains special lubricants to help protect vehicles from scratching. Special surface protectants will leave vehicles shiny and smooth after applications. Product can be diluted 5 gallons to 10 gallons of water before use.

Product Use Benefits:

- High foaming cherry scent.
- Produces a vibrant pleasant scented foam.
- High foam level provides optimum customer approval.
- Contains special lubricating agents for improved performance.
