HP PRESOAK

Environmentally Formulated High Foaming Presoak

What is HP Presoak:

A special environmentally formulated presoak detergent that starts breaking down road film on contact. Designed for high and low pressure application. Contains chelating agents for hard water applications. Formulated for safe use on all OEM surfaces. Also great for self serve prep guns. The **GREENWAVE** Line of products are specially formulated to meet EPA green standards.

Product Use Benefits:

- Meets EPA green standards.
- High foam level provides optimum customer approval.
- Contains special lubricating agents for improved performance.
- For use in any wash system.
- Helps prepare surfaces for protectant applications.
- Safe to handle and store.

Application Dilutions:
